Watson Tries Another Line | Special Session Attacking Oil Land Leases

[Sentinel State House Bureau]

TALLAHASSEE-Atty.-Gen. J. Tom Watson tossed two more legal monkey wrenches Monday into the Cabinet's leasing of State lands, above and below water, for oil exploration. Wrote Watson to fellow members of the Trustees of Internal Improvement Fund, who control land sales and leases:

"I am taking the position that no oil lease can be made legally concerned will meet with the city over more than 320 acres of land
